MISS GORDON'S EXERCISES.

Commencement at Opera-House Last Evening a Splendid One.

The friends of Miss Fannie I. Gordon were more than gratified at the excellent exercises at Washington Opera-house last night which marked the closing of her first year's work in her Training School.

In the words of Hon. W. H. Wadsworth in delivering the diplomas to the graduates, Miss Gordon's School is up-to-date, and that her work is recognized not only in Maysville but in the Colleges of Kentucky is made manifest in that this year the school had five scholarships awarded it—two from State College, one from Central University, one from Kentucky Wesleyan and one from Georgetown College.

The pupils receiving these honors are Misses Moran, Walsh, Quaintance, Thompson and Mr. Quigley.

The excellent music—instrumental by the Maysville Orchestra and vocal by Miss Florence P. Wadsworth—added to the splendid program which was given by the pupils, as follows: Invocation.....Dr. Evans

Miss Berry, Accompanist.

Dean Baker P. Lee is one of the most gifted men that a Maysville audience has had the pleasure of hearing in a long time. His home is in Lexington, but his eloquence is known throughout many states. His address last evening was very brief, but from the very start he fascinated the very large crowd in attendance.

All the exercises were in keeping with similar occasions over which Miss Gordon has presided with ease and dignity.

HELP THE ELK'S FAIR.

Committee Has Started Out After Subscriptions in the City.

The Committee appointed to ask the merchants, manufacturers, men of professions, and in fact all citizens who have the welfare of our thriving little city at heart, to assist to give the Fair August 19th to 22d, is out this week to call on all for their subscriptions. It is to be hoped that the response will be general and generous.

If it was generally understood that the Elks individually derive no benefit; that they work hard and incessantly, put in their time and money, and that their object in giving the Fair is for the mutual benefit, there would be no difficulty in raising quite a large sum to make the undertaking a decided success.

Being aware of the fact that the merchants of our city have been greatly handicapped in the spring business by causes too well known to mention, we believe that in giving this Fair their losses can be offset, and through its medium bring the people to Maysville which will greatly enhance the merchants, business and bring up the average for the year.

Anyone who should happen to be overlooked by the Committee and who feels it his or her duty to help a good cause, can leave their names and amount of their subscriptions with any of the undersigned and it will be received and recorded with thanks.

Yours for Maysville,

CHARLES A. WALTHER.

River News

The Ohio continues to fall.

The Bonanza will be up tonight for Pomeroy.

The Henry M. Stanley will be down from Pomeroy tonight.

The City of Caruthersville is being built at Dyersburg, Tenn.

The John A. Wood passed up for Pittsburgh with a tow of 32 empty coalboats. This is her annual trip to her home port.

The steady drop in the rivers at Pittsburgh and the facts that although rain has been forecasted for several days past they continue to fall has about convinced the boatmen that this will be a year in which there will be no June rise. The fact that it is already so late in the month and no prospects of water is the principal cause of the discouragement. Preparations are well under way for the shipment of the greatest amount of coal out of the Monongahela river in the history of the coal business of Pittsburgh. It is estimated that the Monongahela River Consolidated Coal and Coke Company has about 25,000,000 bushels loaded and waiting for the necessary water. Towboats are hitched to many tows and every preparation has been made for the expected rise.

J. W. Davis, an L. and N. engineer, died Monday at Paris.

Mr. C. P. Traxel, who recently finished a course in a Y. M. C. A. school in Chicago, has been offered the position of General Secretary of the Association at Bowling Green.

Rev. Charles F. Evans of the First M. E. Church, South, will conduct prayer meeting tonight at 7:30 o'clock at the Central Presbyterian Church. All cordially invited to attend.

Sealed bids for the various privileges at the Maysville Elks' Fair will be open Monday, June 8th. Send bids to H. L. Hamilton, Secretary.

Never compare prices without comparing quality: you will find more difference in quality than you will in price. See our monuments and markers before buying elsewhere.

Beware of Ointments For Catarrh That Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and is made in Toledo, O., by F. J. Cheney & Co. Testimonials free.

Sold by Druggists, price 75c. per bottle. Hall's Family Pills are the best.

REPUBLICAN STATE CONVENTION.

LOUISVILLE, KY., May 14, 1903.

At a meeting of the Republican State Central Committee, held this day, it was ordered that a State Convention of Delegates be held at the Auditorium, in the city of Louisville, on Wednesday, July 15th, 1903, at 2 o'clock p. m., for the purpose of nominating candidates of the Republican party for the state offices to be filled at the election November, 1903, viz: Governor, Lieutenant-Governor, Treasurer, Auditor, Commissioner of Agriculture, Labor and Statistics, Secretary of State, Attorney General, Superintendent of Public Instruction, Clerk of the Court of Appeals.

Delegates to said Convention shall be chosen by the people of the several counties of the state, in Mass Convention assembled, at the county seats thereof, on Saturday, July 11th, 1903. The County Conventions shall be convened at 2 o'clock p. m.

The Chairmen of the County Committees shall issue a call, in conformity herewith, for said County Conventions, and publish the same, stating the place at which in their county seats the Conventions will be held by posting a copy of said call at their county Courthouse at least fifteen days prior to July 11th, 1903.

The basis of representation in the State Convention shall be one Delegate for each 100 votes or fraction over 50 votes cast for the Republican Presidential Electors in November, 1900. Upon this basis of representation the number of Delegates to said Convention is 2,368 and is apportioned to the counties of this Congressional District as follows:

Bath	17	Lawrence	21
Boyd	20	Lewis	23
Bracken	13	Mason	25
Butler	25	Nicholas	13
Fleming	21	Robertson	5
Greenup	20	Rowan	9
Harrison	18		

C. M. BARNETT, Chairman.

R. L. Gwathmey, Secretary.

JIM GAY, an aged farmer, was shot and killed by a stray bullet in Breathitt county near the Perry line. Three men were arrested charged with the killing; and, judging from the experiences in the Goebel trials, it will be in order to "convict" each of the three with firing the fatal shot—and they would be convicted with TOM CAMPBELL and a \$100,000 blood-money fund to draw on.

MISSISSIPPI has just laid, with fitting ceremonies, the corner-stone of a new Capitol, to cost \$1,250,000. Mississippi has a population of 1,551,270, an assessed valuation of \$222,847,525, and an area of 46,810 square miles. The population of Kentucky is, on the other hand, 2,147,174, its assessed valuation \$667,056,375, with an area of 40,400 square miles. The public edifices of the state of Kentucky at Frankfort are a disgrace to the state.

KENTUCKY's Statehouse at Frankfort is exceeded in imposing beauty only by Mason's Courthouse at Maysville.

WHILE Kentucky's public edifices at Frankfort are a disgrace to a large part of the state, they are in perfect keeping with the civilization of Breathitt county.

SENATOR DEPEW says: "Strikes are a healthful economic sign. There are never any strikes in hard times." There are never any strikes that don't bring hard times.—Louisville Times.

Certainly; to the strikers.

A LOUISIANA Negro accused of criminal assault has been sentenced to the Penitentiary for 198 years. When he gets out he will probably have more sense than to repeat the offense.

THE chapters of pardons granted in Breathitt and Morgan counties show conclusively what sort of trials may be expected in either county. Two savage assassins, whose crime would fit a red Indian, were given ten years, and two others, equally guilty, were given two years each. And Governor BECKHAM pardoned all of them!

THE Building Trades Employers Association of New York City has submitted to all the Unions in the building trades an arbitration proposition out of which it is hoped a peace plan may be evolved. Briefly it is for a General Arbitration Board and Joint Court of Appeals, the latter to consist of four members, two from the employers and two from the employed. All questions arising are to be submitted to this Court, the labor representatives of which are to be members of Unions having no direct interest in the point of difference, while the employers' side shall be selected from trades not involved in the dispute to be arbitrated.

THE AMERICAN MAN
Of the Glacial Age.

The scientific evidence is continually becoming stronger that man existed in America in the Glacial Age. That is, in the remotest prehistoric days. He belonged to a race entirely distinct from the Indians, and there are apparently no descendants of his among the present so-called Aborigines of the American Continent. From the Glacial Period to the present day nothing has ever been discovered that has such wonderful power over disease as Dr. Burkhardt's Vegetable Compound. Chronic cases of Rheumatism, Catarrh, Constipation and Diseases of the Blood can be cured with this remedy where everything else fails. 20 days treatment 25c. All druggists.

A FARM
PROPOSITION!

There are many good, intelligent tenants in this and adjoining counties who have saved a thousand dollars or more, who are vainly hoping to save enough more money to buy a farm and pay all cash for it. This they may do, but the chances are that they never will. I have this to propose: If you have a small sum saved and want a farm come to see me. I can help you to buy one on easy payments—about like paying rent. Do you want one?

BEYOND DOUBT.

These Facts Must Convince Every Maysville Reader.

The statement which follows tells the experience of a resident of Maysville. Incredulity cannot long exist about this testimony because it can easily be investigated.

Mr. I. L. Melvin of 116 West Third street says:

"When a man is relieved of annoyance and suffering for years, when he has exhausted all knowledge of household remedies and used medicines suggested by his friends and neighbors, when he has come to the conclusion that there is no cure, he naturally enthusiastically indorses the means that he employs to obtain relief. I got Doan's Kidney Pills at J. Jas. Wood & Son's Drugstore for kidney and bladder complaint. I had no expectations of even checking my trouble, let alone curing it. Much to my surprise, and more to my gratification, the result obtained stamps the remedy as being more than up to the representations made for it."

HOME TESTIMONY FOR HOME PEOPLE.

When you are asked to take the word of someone unknown and at a distance as to the value of an article it requires a stretch of faith. When you are told that someone in your own town—someone whom you know or can go and verify the statement—says the article is all it is claimed to be, it gives it at once the stamp of honesty. This is the principal pursued with Dr. A. W. Chase's Nerve Pills. Home testimony for home people.

Mr. R. H. Wallace of No. 28 East Front street, Maysville, Ky., says:

"I have been for a long time troubled with severe nervousness, dizziness, sleeplessness and indigestion. Having read in the papers of Dr. A. W. Chase's Nerve Pills I thought I would try them. I got a box at Chenoweth's Drugstore and am pleased to say my nerves are strong and steady again—I sleep well—I am no longer bothered with those dizzy spells and my appetite and digestion are splendid. I am able as a consequence to recommend the medicine very highly to others who suffer in a like manner."

His Last Hope Realized.

From The Sentinel, Goba, Montana.

In the first opening of Oklahoma to settlers in 1889 the Editor of this paper was among the many seekers after fortune who made the big race one fine day in April. During his traveling about and afterwards his camping upon his claim he encountered much bad water, which, together with the severe heat, gave him a very severe diarrhoea, which it seemed almost impossible to check, and along in June the case became so bad he expected to die. One day one of his neighbors brought him one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a last hope. A big dose was given him while he was rolling about on the ground in great agony, and in a few minutes the case was repeated. The good effect of the medicine was soon noticed and within an hour the patient was taking his first sound sleep for a fortnight. That one little bottle worked a complete cure and he cannot help but feel grateful. The season for bowel disorders being at hand suggests this item. For sale by Jas. J. Wood & Son, Druggists.

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

Mrs. Loring Nichols of Penn Yan, N. Y., writes: After eating, my food would distress me by making my heart palpitate and I would become very weak. Finally I got a bottle of Kodol and it gave me immediate relief. After using a few bottles I am cured.

Kodol cures indigestion, dyspepsia and all stomach disorders, and gives the heart a full, free and untrammelled action.

MISS SARAH FINLEY,

Vice-President of the Palmetto Club, Memphis, Tenn.

WINE OF CARDUI is a thoroughly scientific and modern remedy, meeting the needs of the modern woman in the modern way—without the torture of an operation. Wine of Cardui has cured them in the privacy of their homes and it has found a place in the hearts of American women that no other medicine has found. In their gratitude over 10,000 American women have written letters commending Wine of Cardui. Wine of Cardui meets their wants as no other medicine does. It sustains the young girl at the shock of her entrance to womanhood. Women who take Wine of Cardui have little discomfort during pregnancy and little pain at childbirth. When the change of life appears they enter a happy, healthy old age. Every month it comes to the rescue to assist Nature in throwing the impurities from the body.

Miss Sarah Finley.

Miss Sarah Finley, of Memphis, Tenn., vice-president of the Palmetto Club of that city, speaks for herself and many friends when she bestows the

following praise on Wine of Cardui:

"Among the numerous medicines placed before suffering women for their relief none can touch McElree's Wine of Cardui. It towers above them all as a reliable female remedy. It simply drives pain and disease away and restores health in an incredibly short period. I have taken great interest in this medicine for the past two years, since it brought health and strength to me. I have also recommended it to a number of my friends and they who have used it speak of it in the highest terms and I feel that it is praise well bestowed."

If you are suffering from female weakness Wine of Cardui is the medicine you need.

You can have health the same as Miss Finley if you will take the Wine of Cardui treatment. If you need advice further than the complete directions given on the bottle, address The Ladies' Advisory Department, Chattanooga Med. Co., Chattanooga, Tenn.

A million suffering women have found relief in Wine of Cardui.

CLOTHING TALK!

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable is for men and confined to us.

But we have provided as well for the boys and children. We invite inspection and comparison of both goods and prices.

OUR MERCHANT TAILORING DEPARTMENT, under the supervision of Mr. Charles F. McNamara, is the only one in the city paying Union prices and having all work done at home. Ask to see one of our made-to-measure Suits. You can get them cheaper elsewhere, but not like ours.

Let us show you our new Shirts, new Hats, new Neckwear, etc., etc.

J. WESLEY LEE,

Cor. Second and Market Streets, MAYSVILLE, KY.

THIS SPACE BELONGS TO THE MAYSVILLE FOUNDRY..... ANDMACHINE COMPANY. BUILDERS OF THE FAMOUS STEEL RANGE.

THE BIGGEST ..BARGAIN.. OF THEM ALL!

Our resident buyer, Mr. F. Hays, purchased from one of the largest wholesale houses in America their entire stock of Ladies' Ready-to-Wear Hats. He got them very cheap, and we are able to offer them to the ladies of this city and vicinity at such a price that it is almost impossible to believe it. But seeing is believing. They will be on display Wednesday in our window.
